

Dear Host Family,

My name is Abdullah, and I'm 14 years old. I was born in Kuwait, June.17.1995. My family consists of five members including a father, a mother, and three brothers. I'm the eldest brother. My relationship is strong with my family, but mine with my father is the strongest. My father's name is Jasem, my mother's name is Fatemah, my young brother is Ali, and the middle one is Abdulwahab.

I'm a social person and I make friends everywhere. I try to avoid bad friends that lead to trouble. I think that true friends are the ones who come and help you when you really need them. All of my friends are loyal and kind to me, and we all respect each other.

I like all kinds of sports, but mostly soccer. I'm a good sportsman and I'm also a fast runner. I love playing and hanging out with my friends. I love watching soccer matches, especially when my favorite soccer team Barcelona is playing.

I want to be a part of the YES program so that I can get used to how it is to live in the states and that's because I'm planning to continue college there. I also want to be a part of an American family to increase my communicating skills and make more friends.

I think that my host family will be nice and kind with me if I followed their rules and obeyed their orders. I will try my best to fit in with them and I will respect every single member.

I promise you that I will follow all of your rules and obey your orders and I hope that this new family provides me more success in my social life.

Your Host Son,

Abdullah
