Yuki best describes himself as a very positive person. He is very active in his school student government and now holds the role of class vice-president. Yuki enjoys his school life and says the his favorite subjects are English, History, and Science. He is an active young man who loves to ski in the winter months. He is also very interested in taking photos and hopes to continue doing so while on program.

About Ayusa

Since 1980, AYUSA has provided opportunities for more than 40,000 students from the U.S. and over 75 countries around the world to live and study through our programs. As the premier youth exchange organization in the United States, AYUSA strives to deliver the highest quality programs to students, host families, schools and communities. Student participants aged 15 through 18 learn about a new culture by living with a volunteer host family, making new friends, and studying at a local high school.
